2. The student must not have any pending AT/KTs and must have successfully cleared all previous semester examinations.

Selected Student Managers and UTs will be responsible for planning, organizing, and executing various extension events under the DLLE. Additionally, they are mandatorily required to complete the designated number of project hours under the DLLE framework.

Selection Process:

The final selection for the upcoming academic year remains at the sole discretion and approval of the Professor-in-charge, who will evaluate each candidate based on a holistic review of their academic record, application details, and overall performance. Shortlisted applicants will be notified regarding their specific interview dates, timings, and other details via their respective email ids in due course. Candidates are advised to monitor their email closely, as these scheduled interviews will serve as the primary and definitive basis for the final selection in the committee. Due to tight operational timelines, the allotted slots are strictly non-negotiable, and the committee will be unable to accommodate reschedules or provide alternative interview dates under any circumstances.
